## Orchestra Application Overview

We are excited that you are interested in serving with the orchestra at The Point! We count it a privilege to serve alongside talented individuals each week as we prepare to lead the Bride of Christ in worship.

Serving on this team is a big commitment. We strive for excellence each week as we seek to honor the Lord with our best. To best serve you, and the worship ministry as a whole, we begin with an audition process. We do our best to make this low pressure, but it is important to assess abilities before jumping onboard. We ask for your understanding as we evaluate placement on the team.

Please review the following steps to begin the process:

- Prayerfully consider your involvement
- Carefully read our Philosophy of Worship
- Click the link below to fill out the application

Upon submitting the application, you will receive an email with specific instructions for the in-person audition and optional dates/times available.

The audition process will include the following:

- Review of application
- Brief follow-up questions
- Review of team requirements
- Play through 2 songs selected by the worship pastor (you will receive charts and demo tracks prior to the audition)
- Review next steps

Upon agreement to move forward with team participation, you will need to complete a short onboarding process:

- Setup Planning Center Online profile
- Observe 2 rehearsals
- Play for 1 rehearsal
- Join regular rotation
