Fathers in the Field Informational Meeting

Sunday, March 2 at 3:30 p.m. in the new student suite

Tonight, over half of our nation's children will go to bed without their father in the home. The issue of fatherlessness is dear to the heart of God as communicated over one hundred times in the Bible. Men, have you wondered how you could use your hobbies & interests to matter greatly in the life of a fatherless boy? Join our Fathers in the Field interest meeting on March 2 as Kevin Drewry outlines for men and fathers in our church how they and their family can go on mission right here at home in Desoto County. Fathers in the Field aims to reach fatherless boys for Christ and do for one what we wish to do for all. Wives are welcomed and encouraged to attend. For more information, contact Kevin Drewry at kdrewry@fathersinthefield.com

Missions Prayer Focus

In the month of February we have two short term teams traveling to South Asia. Both of these teams will be working with families from our church who live and serve in South Asia. Pray that our teams will be able to be a great encouragement to our missionaries who live and serve there. Ask the Lord to bless the training and equipping that our team will be leading for local believers. Pray for God to open doors and hearts to receive the gospel as the team goes out to share with people who have never heard the message of grace.
